QuBox Enclosure for Ajax Hub Plus
Integrated outdoor enclosure + place to install Ajax Hub Plus (All-in-one)

The QuBox enclosure for Ajax Hub Plus is an outdoor housing designed specifically for the installation of Ajax hub. Custom mounting system ensures easy inegration inside the enclosure.

The enclosure can be easily mounted on a wall or mast.

Made from ABS, the enclosure offers high IP67 protection, guarding the device against dust and water, making it an ideal choice for demanding environments. It is perfectly suited for public spaces such as stadiums, train stations, airports, and hotels, as well as warehouses, factories, and mines.

The product is available as OEM, allowing full customization under your brand.
